

# Cranham Primary School Newsletter

Thursday 14<sup>th</sup> July 2022

Dear parents,

This will be my last newsletter, so I wanted to take this opportunity to say how much I have enjoyed being the Head teacher at Cranham for the last four years. It has been a pleasure to get to know you all, and your amazing children! There were more challenges to face during this period than any of us expected, but during those difficult lockdowns, I felt that the community of Cranham School remained in place. The children benefit so much from growing up as part of that strong community. I am extremely optimistic for the future of the school: Sarah Scott is filled with enthusiasm about her new role and she has many exciting plans.

At this time of year, it is so important to say thank you to the hard-working staff team who do so many little extra things across the week to help children to learn and grow. Of course, we all wish Rebecca Bettington the very best with her new arrival, she will be deeply missed during her maternity leave. Alice Boxall has been working very hard already to prepare for September – impressive dedication! Of course, the school will also be welcoming Lynda Kay as SENCo during this time.

## **Hot weather**

We have decided to cancel our Forest School session for KS1 on Monday as the forecast is for extremely hot weather. We are reviewing all our activities at the moment to ensure that the children are comfortable and safe. Please do make adaptations to your child's uniform on Monday and Tuesday to ensure they are as cool as possible. Hats, water bottles and sun cream are essential.

## **Nut Free School**

A reminder that we are a nut free school. This is anything in the tree nut, ground nut and legume nut family. This includes when providing a packed lunch to bring into school or on a school trip or activity. Thank you in advance for your co-operation with this.

## **Activity day reminders**

Please see the form attached for Activity Day with a reminder about details for the Day.

## **Leavers' Service**

Our annual End of term service will be taking place at 11:30am at the Scout Centre and parents are welcome to join us for the service and/or for the picnic afterwards.

Best Wishes  
Mrs Rebecca Slater
